December 16, 1987

Mr. Mark Pane
On-Scene Coordinator
ENVIRONMENTAL PROTECT.AGY
Regional Office 11-B1.209
Edison, NJ 08817

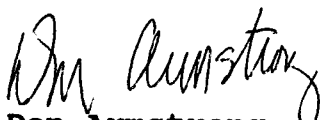

Dear Mr. Pane:

Thank you for the surplus offering. Unfortunately, the list was not of interest to any of our customers at this time.

We would appreciate it if you would keep our name on your active list to receive future surplus offerings.

We look forward to being of service to your company in the near future.

Yours truly,

Don Armstrong
President
